DETAILED ACTION

1. The Examiner acknowledges the amendments received 13 January 2009. Claims 2-4, 7-9, 15-18, 21-22, 25-26, 28-29, 32, 35-39, 41-46, 49-50, 51-5-83, 84-88 and 89-177 are cancelled; claims 1, 5-6, 10-14, 19-20, 23-24, 27, 30-31,33-34 and 40 are withdrawn; new claims 185-188 are added; claims 47-48 and 178-188 are pending.

Election/Restrictions

2. Restriction is required under 35 U.S.C. 121 and 372.
3. This application contains the following inventions or groups of inventions which are not so linked as to form a single general inventive concept under PCT Rule 13.1.
4. In accordance with 37 CFR 1.499, applicant is required, in reply to this action, to elect a single invention to which the claims must be restricted.

Group I, claim(s) 47 and 178-185, drawn to a method.

Group II, claim(s) 48 and 186-188, drawn to a method.
5. The inventions listed as Groups I-II do not relate to a single general inventive concept under PCT Rule 13.1 because, under PCT Rule 13.2, they lack the same or corresponding special technical features for the following reasons: Group I has the special technical feature of applying an electrical signal directly to a SPG of a subject suffering from Alzheimer's disease. This feature is not required by group II, and results in the utility of offering a more precise stimulation to the SPG rather than requiring the activation of one or more accessory nerve fibers.

6. Applicant is advised that the reply to this requirement to be complete must include (i) an election of a species or invention to be examined even though the requirement may be traversed (37 CFR 1.143) and (ii) identification of the claims encompassing the elected invention.

The election of an invention or species may be made with or without traverse. To preserve a right to petition, the election must be made with traverse. If the reply does not distinctly and specifically point out supposed errors in the restriction requirement, the election shall be treated as an election without traverse.

7. Any inquiry concerning this communication or earlier communications from the examiner should be directed to DEBORAH MALAMUD whose telephone number is (571)272-2106. The examiner can normally be reached on Monday-Friday, 9.00am-5.30pm.
